

August 2021

As our northern teachers and children head back to school, we would like to wish them all a successful new year of studies and are sure everyone will work as hard as they can to learn everything they can. A good education is the key to having a successful future and a good career.

We have a number of requests from teachers and students for clothing and school supplies that are needed and will no doubt be adding more requests shortly as the new term gets underway. If you would like to sponsor a class or a school or if you can assist an individual teacher or child or even a family, please send a message so we can give you the full information. Be sure to include the number of the request so that we know who you are looking to help. Thank you. Let's get everyone off to a good start!

Needs and Requests
